

GRAN'S GARDEN

I MET BRENDA FOR BREAKFAST IN DECEMBER WHEN SHE AND HER HUSBAND WERE VISITING VIRGINIA BEACH

Snow here in Virginia Beach.

We had 14" of snow here on Dec 26..... big mess for us, but beautiful. Thankfully we have missed the most of the snow that has kept the east coast shoveling this year. Photos to share Spring is not far off as I have daffodils coming up.

It was pleasure to travel to Texas last week to teach for the "Brushwackers" in Donna, TX. Both the wonderful group and the weather were a delight. Brenda and I will be here at Virginia Beach next week. We always have a

great time. Brenda has everything so beautifully organized... I really appreciate all her hard work. We have these class in Feb and Nov each year.
